

DECLARATION OF EMERGENCY

Department of Health and Hospitals Bureau of Health Services Financing

Targeted Case Management—Nurse Family Partnership
Program Termination
(LAC 50:XV.10505, 10701 and Chapter 111)

The Department of Health and Hospitals, Bureau of Health Services Financing amends LAC 50:XV.10505, §10701 and repeals Chapter 111 in the Medical Assistance Program as authorized by R.S. 36:254 and pursuant to Title XIX of the Social Security Act and as directed by Act 13 of the 2012 Regular Session of the Louisiana Legislature which states: “The secretary is directed to utilize various cost containment measures to ensure expenditures remain at the level appropriated in this Schedule, including but not limited to precertification, preadmission screening, diversion, fraud control, utilization review and management, prior authorization, service limitations, drug therapy management, disease management, cost sharing, and other measures as permitted under federal law.” This Emergency Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R. S. 49:953(B)(1) et seq., and shall be in effect for the maximum period allowed under the Act or until adoption of the final Rule, whichever occurs first.

The Department of Health and Hospitals, Bureau of Health Services Financing and the Office of Public Health (OPH) amended the provisions governing the reimbursement of targeted case management (TCM) services rendered by the Office of Public Health in the Nurse Family Partnership Program in order to establish Medicaid payment of uncompensated care costs for services rendered by OPH to Medicaid eligible recipients (*Louisiana Register*, Volume 39, Number 1).

Due to a budgetary shortfall in state fiscal year 2013, the Department of Health and Hospitals, Bureau of Health Services Financing has determined that it is necessary to amend the provisions governing targeted case management in order to terminate the Nurse Family Partnership Program and Medicaid reimbursement of TCM services to first-time mothers. This action is being taken to avoid a budget deficit in the medical assistance programs. It is estimated that implementation of this Emergency Rule will reduce expenditures in the Medicaid Program by approximately \$505,157 for state fiscal year 2012-2013.

Effective February 1, 2013, the Department of Health and Hospitals, Bureau of Health Services Financing amends the provisions governing targeted case management in order to terminate the Nurse Family Partnership Program.

Title 50
